

4. Biomedical/disease-related aspects of topics
5. Critical reading of primary research literature
6. Understanding of principal methods and techniques

Instructional Methods:

The teaching methods employed in this course will consist of PowerPoint lectures (70%), group work (10%), and class discussions (20%). Primary research papers allow us to explore distinct topics more in depth through discussions and to translate science knowledge. Canvas (<https://canvas.alaska.edu/>) will be utilized as a platform to distribute papers, other assignments, lecture material, exams, and

obligations. For more information on your rights as a student and the resources available to you to resolve problems, please go to the following site: <https://catalog.uaf.edu/academics-regulations/students-rights-responsibilities/>.

Disability services statement: I will work with the Office of Disability Services to provide reasonable accommodation to students with disabilities.
